

**Major General George Franz,
U.S. Army, (Ret.), Executive
Operations Director, Global
Cyber Practice, MANTECH**

Areas of Expertise:

- * Cyberspace Operations and Strategy
- * Intelligence Operations
- * Defense Strategic Plans and Policy

Background:

As an Executive Director at MANTECH, Major General George Franz, U.S. Army, (Ret.), leverages his expertise and leadership in cyberspace operations and security to guide the

company's defense and security business initiatives. He most recently served as a Senior Advisor to the Commander U.S. Cyber Command.

His military career also includes commanding the Cyber National Mission Force and the U.S. Army's Intelligence and Security Command and serving as the Director of Operations, J3, at U.S. Cyber Command.

General Franz holds a bachelor's degree in Economics from the University of Maine at Orono, a master's degree in National Security and Strategic Studies from the Naval War College, and a master's degree in Advanced Military Studies from the United States Army School of Advanced Military Studies.
